PREMIUM WARRANTY PLAN REQUIREMENTS

1. The Package Unit must be registered with the manufacturer within 30 days from the date of purchase. This is done by completing the Warranty Registration online at 'gdg.gardnerdenver.com/DV-Rotary-Warranty'.
2. Use of **Genuine DV Systems OEM parts and lubricant (or warranty kits)** as specified in the service manual must be purchased from an authorized DV Systems distributor. **Maintenance shall be performed in accordance to the recommended maintenance schedule found in the service manual for the appropriate compressor package.** Consult the service manual for proper maintenance intervals for the operating hours of the equipment.
3. The use of approved DV Systems lubricants is required. The following lubricants are approved for warranty and must be changed in accordance with the above maintenance tables or a **minimum of every 12 months**. Oil filter and separator elements must be replaced at the time of the lubricant change.

DEV-3000, DEV-3500 (Food Grade Synthetic)

4. A log of all maintenance performed must be maintained with the corresponding operational hours. This includes the following changes: air filter, oil filter, separator, and lubricant. All other maintenance and repairs also require logging and documentation with corresponding hours.
